HEAD TEACHER'S HIGHLIGHTS

Dear Parents and Children,

Thank you for all the lovely emails and photographs you have been sending. It's great to see our school community still thinking of each other and sharing their news.

All are still well here although it has been a much quieter week for school with less Key Worker children needing care. Mrs Judd has been extremely busy in school with her Easter deep clean, it's given her chance to refresh carpet areas and get to all those high up places that are difficult to reach. It's a very important job and Mrs Judd goes above and beyond to make sure our school is the cleanest it can be. We all appreciate her hard work during the year but especially under current circumstances. Thank you Mrs Judd.

Now Lent is nearly over please accept our congratulations if you managed to get through without giving up on your promise. I know there will be staff who will be very pleased to be eating pastry, chocolate and pork scratchings again– they know who they are!

So children I hope the Easter Bunny does come to visit you this Easter, I wish you happiness and health and to all your families too.

Best wishes

Jenny Griffiths

Easter Bunny

Easter bunny soft and white
Hopping quickly out of sight.
Thank you for the eggs you bring
At Easter time to welcome spring.

Yellow eggs and blue and red
In the grass and flower bed
We will hunt them everywhere
Is it really you who put them there?

HAVE A HAPPY EASTER

CLASS 1

Hello children, we really hope you have a lovely Easter weekend with your family. A big well done to all those who gave up something for Lent.

We have loved seeing all your ideas on the previous newsletters. It is great to see all the things you are getting up to. We have been very lucky with our weather so you have had plenty of opportunity to get outside. We have put together a [Spring sheet of ideas](#) that you can do outside. They range from a football challenge, musical instruments, shapes in clouds and lots of art ideas. Send in photos if you try any, we would love to see them.

Carry on being super careful and washing those hands. We look forward to hearing from you. Have a lovely Happy Easter. x

CLASS 2

Happy Easter everyone!

The sun is shining, the birds are singing and you might find some signs of spring in the classroom too! We've been so lucky with the weather this week so I bet you've had lots of opportunity to enjoy your gardens and find signs of spring. There are some fun activities to do outside on the home learning White Rose maths website. Keep safe and be happy!

Estimate it! #MathsEveryoneCanAtHome

Did you know that the world record for the most kick ups in a minute is 339? How many do you think you could do?

Choose an activity and estimate how many times you think you could do it in a minute. Set a minute timer and complete the activity. How close was your estimate?

Use the internet to investigate some minute world records and see how close you can get!
Don't forget to share your photos/videos with us!

White Rose Maths

Move it! #MathsEveryoneCanAtHome

Obstacle courses can be a fun way to use positional and directional language as well as a way to get moving!

Can you make an indoor or an outdoor obstacle course? Draw a plan before you build it. Describe the route using words such as over, under, through, between etc.

How long does your course take to complete?
Don't forget to share your photos or plans!

White Rose Maths

Just to keep you posted!

SCHOOL CALENDAR DATES

P.E with JoeEvery Monday—Friday 9am for 30 mins join in with his daily workout at;
