HEAD TEACHER'S HIGHLIGHTS

Dear Parents,

This week has gone very quickly with children really settling into their working routine. More and more children are beginning to take up the challenge to work on their Mathletics again this year. We are aiming for full participation. I have been happy to give out a number of Head Teacher stickers for special achievement, see below some of the children who worked especially hard either at home or in school.

Unfortunately, we have some sad news to share. Cory will be leaving us next Friday to take up a new position. It has been a pleasure working with him as he has been a real asset to Church Aston. I know staff and children will miss him but we wish him well with his next career move. Clubs will continue as normal so please don't have any worries about child care. We will let you know further details in the near future.

Please keep bringing in the Aldi stickers, we need as many as possible to get that kit.

Thank you for all your support.

Jenny Griffiths

CELEBRATING SUCCESS

Congratulations to all the children that received an award today.

BIRTHDAY CELEBRATIONS

We would like to wish the children celebrating their birthday this week a very happy birthday.

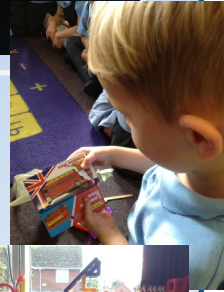

CLASS 1

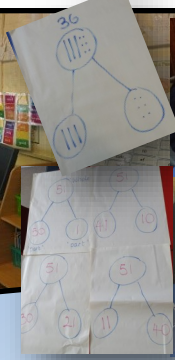

Reception have been exploring the number 4 and looking how the number can be made in different ways. Year 1 have been exploring place value of number. The year one children have explored numbers one more and less and have started to compare numbers using the symbols > < and = . Our story Toys in Space has given us lots of new vocabulary. We designed our own lost toy posters. We also had an exciting parcel delivered to us this week and inside was a little red London bus. I wonder what we will find out about it!

Please remember to bring your Flipped Learning homework about Toys in by Wednesday 5th October. Thank you

CLASS 2

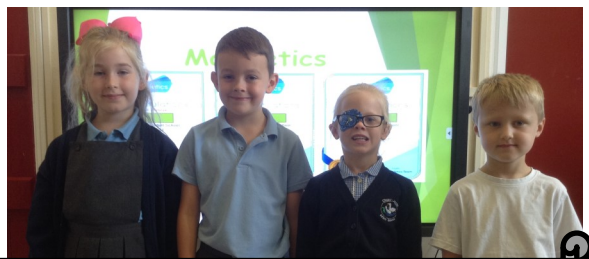

This week Class 2 have enjoyed our new story 'This rabbit belongs to Emily Brown' by Cressida Cowell. The children have made predictions about what might happen next, they have used their knowledge of adjectives to describe the rabbit called Stanley and written a letter to the Queen! In maths the year 1 children have explored counting on one more and less and the affect it has on value. The year 2 children have partitioned two digit numbers in different ways including using the part whole model. Class 2 are also enjoying the challenge of knowing the number bonds to 10 and using this to solve a problem. In RE the children have discussed belonging to a group, and the children really impressed me with their responses on what is special about our school community.

BRONZE AWARD

Well done to the children that received their bronze & silver Mathletics certificate today.

MATHLETICS

SILVER AWARD

Just to keep you posted!

SCHOOL CALENDAR DATES

- Friday 25th October—last day of term
- Monday 4th November—back to school

LATEST NEWS AND EVENTS

ALDI'S KIT FOR SCHOOL

We have collected **83** stickers to date, **167** to go!

SCHOOL DINNER CENSUS DAY

Next Thursday, 3rd October, is our school census day. The number of meals taken on school census day determines our funding for Universal Free School Meals which has a direct impact on our budget so it is a huge benefit to the school if as many children as possible have a school dinner that day.

To encourage everyone to have a hot dinner next Thursday the menu will change and fish and chips, or a vegetarian option, followed by a donut will be the hot meal available. This means that the menu will also change on Friday 4th October when the hot meal will be Chicken Dunkers, or a vegetarian option, followed by ice cream.

Head Teacher's Award

Well done to all the children that produced outstanding work both inside and outside of the classroom.

They all received a Head Teacher's award in a special assembly.

Well done everyone!

This week's winning team is **YELLOW Team** again.

Out of School Success

Well done for achieving your 10th Kyu in Karate.

Thank you for sharing your achievement with us and a massive well done to you.

Keep up the good work!

Well done!
