HEAD TEACHER'S HIGHLIGHTS

Dear parents,

Welcome back to everyone this half term. The children and staff all seem to be refreshed from their half term break and ready for some exciting learning. Class 1 had their first swimming lesson with school this week, they were all very keen and all joined in with great enthusiasm. Thank you for all your Extreme Reading photographs, some fabulous ideas, generating lots of discussion about where they were reading. If you haven't had chance to capture your child reading there is still time to send your photographs in next week. Tying in with this, we have been sorting out our reading sacks and we are going to start issuing them from next week. We will start with Class 1 on Thursday 7th March and Class 2 on Thursday 14th March. Look out next week for further details.

Have a super weekend.

Jenny Griffiths

CELEBRATING SUCCESS

Congratulations to all the children that have received an award this week.

The winning team is **red** for this week!

EXTREME READING

Thank you to everyone who has sent in photo's so far—they are fantastic! If you haven't sent one yet please could you email it to us by Wednesday 6th March, thank you. A display of everyone's pictures is on show outside Mrs

CLASS 1

Class 1 have been made the most of the lovely weather. They used their knowledge of counting in 2s 5s and 10s by inventing games to practise them.

We made obstacles to act out the Bears in the night story. We have learned to recite the story using our own story map.

Year 1s have been learning all about sugar in our diet and have a special Change4 life booklet to use at home.

CLASS 2

Welcome back Class 2! In English this week, we are looking at the features of non-fiction writing and collecting facts about Antarctica also in maths we are counting in groups and in tens and ones. In our gymnastics session we worked on our front support and used this to help us with our burpees. We also walked on the balls of our feet with straight legs in a Relevé Walk to tense our muscles to help our balance and control.

Well done to all the children that received a Mathletics certificate today.
