HEAD TEACHER'S HIGHLIGHTS

Dear parents,

We are very pleased to welcome our new child into Reception, she is already a happy member of our school family.

The children had a great World Book Day, so many wonderful characters! Thank you for your support with this. We also had a visit from Heather Loveridge Assistant Director :education and corporate parenting. It was her first visit to Church Aston and she was very impressed with all the work going on at our school. She took time to meet staff, Chair of Governors and of course the children. She spent time looking at their work and listening to all the learning that they had been doing.

I have also attached the Parent/Carer SEND Newsletter to keep you up to date with current SEND initiatives going on in Telford. If your child has any individual needs that you would like to discuss further , please don't hesitate to contact Mrs Bryon SENCo or myself.

Kind regards

Jenny Griffiths

CELEBRATING SUCCESS

Congratulations to all the children that have received an award this week.

The winning team is **green** for this week!

BIRTHDAY CELEBRATIONS

Look who is celebrating their birthday this week.

CLASS 1

It has been another busy week for Class 1. We enjoyed making and eating our pancakes on Shrove Tuesday.

We celebrated World Book day on Thursday with such creative costumes and a wide selection of favourite books. We had opportunities to share stories with both classes extending our knowledge of story characters.

We have been counting in 2s 5s and 10s in maths and have completed our addition and subtraction work.

CLASS 2

What a fantastic week it has been in Class 2! We have nearly completed our non-fiction writing about Antarctica. The children have found out so many new facts and used headings to organise their work. In maths we are exploring the links between repeated addition, multiplication and counting on in groups. We enjoyed celebrating World Book Day with lots of fantastic costumes and sharing a real enthusiasm for our favourite books. Thank you to everyone who helped put the wonderful costumes together.

Well done to all the children that received a Mathletics certificate today.

LATEST NEWS AND EVENTS

Big Pedal 2019

We are once again taking part in the Big Pedal challenge this year. A letter with further information is attached. Regular updates on our progress will be available on our website and noticeboard. Hopefully we can repeat last years success!

Friends of School—Mother's Day Gift Sale Thursday 28th March

Friends of School are organising a Mother's Day Gift Sale where children can bring £3 in to school to buy a gift and a gift bag to thank anyone who is special to them, further information is attached.

Reading Sacks

Parents of children in Class 1 will have noticed that your child has brought home an extra bag this week, this is one of our Reading Sacks. You will find a story book, a non-fiction book related to the story, and an artefact that should also be related to the story. We hope that the bags will support a shared reading experience for you and your child. We will be extending the scheme to Class 2 next week.

The Reading Sacks can be brought into school every Wednesday and we will change them so a new one can be taken home on Thursday. We would be grateful if you could check that everything is in the bag before you return it and just let us know if anything is missing or damaged so that we can replace it. If you would like to opt-out of the Reading Sack Scheme please just let us know.

World Book Day - What an exciting day we had! Take a look at the school website for lots more photos from the day.
