HEAD TEACHER'S HIGHLIGHTS

Dear parents,

We have had a great time in school this week. The children have enjoyed seeing their own and their friends photographs of Extreme Reading. Well done to all those who took part. The Mayor came to visit today and he was very supported of the reading going on in school.

Some children have also had opportunity to join in with a football skills session with other schools from Telford. I am hoping that we can extend this opportunity and take other groups to join in with multi skills and other sporting events arranged for KS1 in the near future.

Thank you for your contributions to support Red Nose Day. The school raised £44. It was such a change to see so much red in school. We hope it has raised your child's understanding of the charity event and some of the people that it supports.

Also, a fantastic well done to our Gold Mathematics Certificate winner this week. I know he feels very proud of his achievement and I am sure his parents are too. Excellent!

Best wishes

Jenny Griffiths

CELEBRATING SUCCESS

Congratulations to all the children that have received an award this week and well done to our stars of the week for Class 1 and Class 2.

Thank You We raised £44.00
RED NOSE DAY

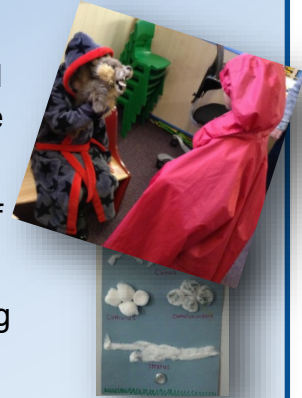

CLASS 1

Our role play area, tuff spot and outdoor area have been transformed by the children to show settings for our very popular book, 'Bears in the Night'. Red Riding Hood is our new traditional tale.

Science for year 1s is looking at cloud formations. We have had lots of different types of cloud through the week and plenty of rain too.

We have been counting in 2s, 5s and 10s again but this time using money. Reception opened up a Pirate shop with lots of treasure to buy.

CLASS 2

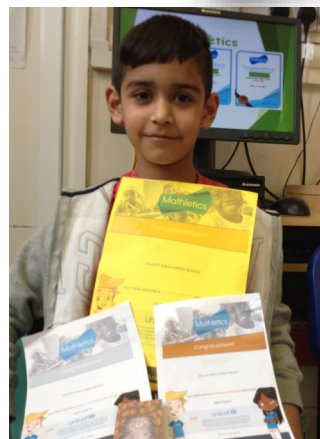

We have been very busy this week learning times table facts, counting in equal groups and recapping addition and subtraction skills. Year 2s have also been exploring fractions by preparing some pieces of fruit in halves and quarters. In English we have started to look at our new book 'Journey' by Aaron Becker. It is going to give us lots of opportunity to orally tell a story before we write because the book has no words so we are going to become the authors!

Well done to all the children that received a Mathematics certificate today.

LATEST NEWS AND EVENTS

THE TELFORD MAYOR EXTREME READING PRESENTATIONS

The Mayor came to visit Church Aston to see how the children had got on with their Extreme Reading. Thank you to all the children that took part in the Extreme Reading Challenge. It has been wonderful to see all the different places that reading could happen.

The Mayor was very pleased to present the winning children with their prizes. A big well done from him and all of us, keep up the super reading it really helps with all your learning.

Overall Extreme Reading Winners

A child from Reception, Year 1 and Year 2 were chosen by the Mayor.

Every child that took part were congratulated by the Mayor and received a bookmark.

This Weeks Reading Award Winners

Class 1

Class 2

Take a look on the School Website Gallery for all the Extreme Reading Photos.

NEWS AND EVENTS CONTINUED

Football Skills Training

Some children that attend our Football After School Club were selected to participate in a morning of football skills training at Telford United.

The morning was jam packed with a variety of ball games of which the children were able to thoroughly enjoy.

We are hoping there may be future opportunities for more sports events for other children to have the opportunity to take part in.

We have added many photos from the morning to the school gallery page on the website, so please take a moment to have a look at these.

Red Group

Children are responding well to the team tokens and enjoy working hard together to collect tokens for their team. This weeks winners were **Red Team**, which the children thought was very amusing because of it being Red Nose Day. Here are a few pictures of Red Team enjoying their reward of an extra playtime. Well Done!

Reading Sacks

Please remember to return your reading every Wednesday so the children can choose a new one to bring home on Thursday.

Thanks to our Parent Helper who has been busy getting this all organised for us. It is very much appreciated.

We hope you enjoy sharing the books with your child at home.
