## HEAD TEACHER'S HIGHLIGHTS

Dear parents,

We had a super visit to Enginuity this week the children really enjoyed making their buggies and testing them out to see which could travel the furthest. Well done to the winning team from Class 2, you had fabulous design ideas.

Thank you to everyone for making such an effort with big pedal, please keep it going for next week—every cycle, scoot and walk (including supporters!) counts towards our school total.

It was also good to see Reverend Zoe and her helpers in school this week. The children were busy learning some favourite Easter songs.

I look forward to seeing you all at Parent Consultations evening on Tuesday. I will be available if you need to follow up anything about your child'.

Happy Mother's Day

Jenny Griffiths

## CELEBRATING SUCCESS

Congratulations to all the children that received an award today.

## BIRTHDAY CELEBRATIONS

Look who is celebrating their birthday this week.

## CLASS 1

We had a thoroughly enjoyable trip to Eginuity on Monday . In teams, we designed a racing buggy to compete in a Grand Prix. The design objectives were to go far, go straight and to look good. We were so proud of all our vehicles. There was good team spirit and lots of encouragement for all teams

Our Sponsored Swim was also successful and all pupils achieved or exceeded their targets. Well done everyone !

## CLASS 2

What a wonderful trip we had on Monday! The children thoroughly enjoyed experimenting with the different exhibits in the museum. Our challenge was to make the fastest buggy using the force of gravity and the children worked in groups collaboratively to design and make their buggy. The winning buggy travelled an amazing 7 ms 50cms, well done Flames of Thunder! In science we have planted a bean seed in different conditions and we are going to monitor it's growth over the next few weeks.

Well done to all the children that received a Mathletics certificate today.

**BRONZE AWARD**

**SILVER AWARD**

# SCHOOL CALENDAR DATES

- Monday 25th March –start of Big Pedal Week
- Tuesday 2nd April—Parent Consultation afternoon/evening
- Friday 5th April—Mufti Day, please bring £2 or an Easter Egg for Friends of School
- Thursday 11<sup>th</sup> April—FoS Easter Fair
- Friday 12th April—last day of term
- Monday 29th April—first day of the Summer term

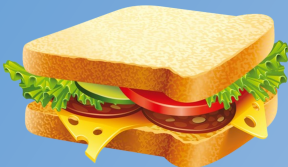

## LATEST NEWS AND EVENTS

### NEW MENU

Your child will have brought home a copy of our new menu, effective from 29 April, today. Please also be aware that from Monday 1st April, all sandwich bar sandwiches will be on 50/50 bread so there will no longer be a brown or white option.

### AFTER SCHOOL CLUBS—SUMMER TERM

When we return to school in late April it will be the start of the Summer Term and new booking forms and payment will be needed for all after school clubs. Registration forms are attached to this email, please complete one for any club you would like your child to attend next term and return it, with payment, to one of the class letterboxes. Thank you.

### ENGINUITY TRIP — 25 MARCH 2019

Children really enjoyed the school visit to Enginuity. The focus of the afternoon was forces and mechanisms. Children investigated the main exhibits that related to the main focus. There was a fun interactive demonstration to develop an understanding of a variety of forces including gravitational attraction, friction, air resistance, lift and thrust. They then followed a design brief to make a buggy racer. Finally children got to race their vehicles to see which would go the furthest. We have added pictures from the day to class pages and the school gallery of our website.

# LATEST NEWS AND EVENTS

## FRIENDS OF SCHOOL - MOTHERS'S DAY SALE EVENT

Thank you to Friends of School for arranging the Mothers' Day Sale this week. Thank you to all the parents that supported the event to help to raise funds for the school. Please see the attached poster with information about the Fizz tasting event in June.

## POTATO GROWING COMPETITION - NEWPORT SHOW

We are set to compete again in the local Newport Show Potato growing competition and we are hoping to maintain our record to be the best school potato growers in the area. Our potatoes have been chitting for the last couple of weeks and today we finally got to plant them. Over the next few weeks a group of children will nurture them and help them to grow.

# Congratulations Blue Group

Congratulations this week to the Blue Team for winning the weekly Team Award. The children enjoyed the sunshine and playing with their new Polydrons from the Friends of School.
