## HEAD TEACHER'S HIGHLIGHTS

Dear parents,

It was great to see you all on Tuesday, I hope you enjoyed seeing all the work your child has been involved in over the year. I am sure you are very pleased with the progress made since September. I know the teachers are. I hope you have a good idea of what else your child needs to do to meet their Age Related Expectations and the type of assessments they will be doing during the Summer term. If you need further help or have any queries please pop in to speak to your child's class teacher.

Super participation in this year's Big Pedal, please carry on encouraging your child to walk or pedal from home or the village hall. Not only does it help them to stay fit and healthy but also helps ease any congestion around school .

We are looking forward to an short Easter assembly at Church with Rev Zoe on Tuesday pm. This is just for children, giving them opportunity to celebrate Easter together. We will walk over to church for half an hour and then be back at school for normal pick up.

Best wishes

Jenny Griffiths

## CELEBRATING SUCCESS

Congratulations to all the children that received an award today.

## BIRTHDAY CELEBRATIONS

Look who celebrated her birthday this week.

### CLASS 1

The children have enjoyed listening to a range of Traditional Tales this half term.

Reception and Year 1 children planned a lovely surprise for the Year 2s. They acted out the play of Little Red Riding Hood along with songs and musical instruments. They even made biscuits for everyone to enjoy in the interval. Special thanks to the actors, tree makers, narrators, orchestra and the bakers. Every child took part. Well done.

### CLASS 2

It's been a busy week in Class 2. The children have been practising their mental arithmetic and reasoning skills. They have also enjoyed learning about rhythm in their music session. In science the children have explored how plants lose water through their leaves and checked how our bean seeds are changing. Will the bean seed grow with no water? Does the bean seed need air? Will the bean seed in the cupboard grow as well as the others?

Well done to all the children that received a Mathletics certificate today.

**BRONZE AWARD**

**SILVER AWARD**
