## HEAD TEACHER'S HIGHLIGHTS

Dear Parents,

Tennis season is upon us and the children have been enjoying tennis sessions with a coach in school on Friday mornings. They will be enjoying this for a further four weeks, it's a lovely way to start a Friday morning!

As part of our curriculum we are thinking about the environment, next week the Telford Environmental Team and Veolia will be visiting school together to support the children with this. Their visit will include a walk around the village, please look out for the children's posters reminding people to pick up their litter.

The transition process is underway for both the children joining our school and our Year Two children moving on to their new schools. If you have any questions about this process please don't hesitate to ask.

Best Wishes

Jenny Griffiths

## CELEBRATING SUCCESS

Congratulations to all the children that received an award today.

Congratulations again to **YELLOW** team for winning the Team Challenge.

## BIRTHDAY CELEBRATIONS

Look who celebrated her birthday this week.

## CLASS 1

Class 1 have been finding out about looking after our environment.

The children had a lovely story to illustrate what happens if we drop litter. The children designed some posters and have also learned a litter song. We are hoping to impress the Telford Environmental Team and Veolia next week with our knowledge.

Year 1s have looked at plastic and how we can recycle it. They will be designing their own things using recycled materials over the next few weeks.

## CLASS 2

This week we have been exploring the world of David Walliams, in particular the book "Fing". In English children have been creating a weird and wonderful collection of items that Myrtle might have in her house. Alongside this they have created their own monster that could live in the deepest, darkest, jungliest jungle.

In Maths we have developed the children's knowledge of time. Children really enjoyed an R.E day listening to stories from the Qu'ran and learning how to pray. We discussed values and morals with children compiling their own list of ideas.

Well done to all the children that received a Mathletics certificate today, well done!

**BRONZE AWARD**

**SILVER AWARD**

## LATEST NEWS AND EVENTS

### YEAR 2 CHILDREN & RECEPTION - MATHS BOXES

Please make sure you return your Maths box to school no later than Monday 24th June. Year 1 children keep your boxes and we will issue Year 2 equipment to you separately to add to your current box.

### YEAR 2 LEAVERS ASSEMBLY

All Year 2 parents, grandparents and carers are invited to join us in school on Friday 19th July for a special Leavers assembly at 1.30pm.

Following the assembly you are welcome to share some time with your child in school before taking them home.

### FRIENDS OF SCHOOL

#### BAG 2 SCHOOL

Next week children will be sent home with a bag to school. Please fill with any unwanted items as specified on the list with the bag and ensure these are returned to school by Tuesday 9th July. For every bag returned money will be raised towards the school fund. Thank you for your support!

#### FRIENDS OF SCHOOL—BBQ

We hope you will be able to join us for the summer BBQ on Saturday 6th July 1-4pm. Please remember to get your pre-orders returned to school by Monday 24th June.

#### TENNIS ON FRIDAY

Every Friday morning all Year 1 and 2 children will have a Tennis coach delivering the Tennis P.E lessons. Please can these children arrive to school Every Friday till the end of term in their P.E kits.
