## HEAD TEACHER'S HIGHLIGHTS

Dear Parents,

What a beautiful week we have had. The children have enjoyed lots of outdoor sessions. They have been preparing for Sports Day and are have enjoyed racing against their classmates over the week. Please look out for photographs from Sports Day on the school website. Mrs Whitefoot will upload them early next week.

Our potatoes are continuing to grow (just.) I will be taking them to the Newport Show on the 13th July, so let's hope they are a good weight. Thank you for the wellies that have been donated, They have now been planted up with herbs, we will be adding to them in the next couple of weeks. They add another level of interest for the children.

Hopefully, we will see lots of you at the Friends of School Barbeque on Saturday, I am sure it will be a delightful event.

Best wishes

Jenny Griffiths

## CELEBRATING SUCCESS

Congratulations to all the children that received an award today.

Congratulations to **BLUE** team for winning the Team Challenge.

## BIRTHDAY CELEBRATIONS

Look who celebrated his birthday this week.

## CLASS 1

We had a wonderful transition meeting our new reception children and parents this week. In maths we have done lots of place value activities including competing to make the largest 2 digit number and comparing numbers using the  $<$   $>$   $=$  symbols.

Our non-fiction writing has been about the heroine Grace Darling and our fiction has been The Lighthouse Keepers lunch story.

There has been such excitement as our four beautiful butterflies were ready to be released into our garden at the 'Celebration Assembly'. The whole school watched them fly off.

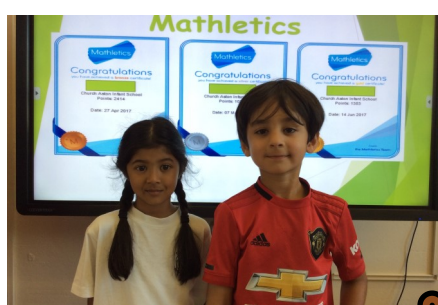

## CLASS 2

This week we have really got to grips with data handling, we have gathered data using a tally and constructed our own graphs. We had fun outside creating a human graph based on hair, eye and sock colour. Children enjoyed sorting skittles to create a colour bar graph ( I think they probably enjoyed eating them the best)

In English we have created a warning leaflet for their own monsters for if any of you dare to ever visit where Fing and his monster friends live. Year 2's are working hard on their special assembly and they have been writing their speeches in preparation.

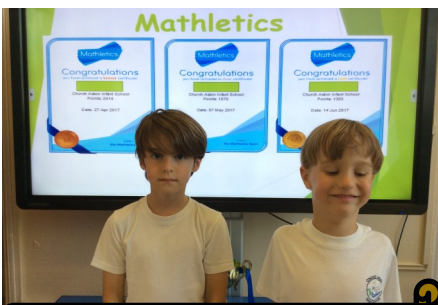

Well done to all the children that received a Mathletics certificate today, well done!
