## HEAD TEACHER'S HIGHLIGHTS

Dear Parents,

As we complete our final week of the year at Church Aston, I would like to take this opportunity to say a huge well done to all our children. They have worked hard, shown enthusiasm in their learning and developed their sense of team spirit. I would like to thank the staff for all the support and guidance they have given the children. Church Aston is a wonderful place to work and it benefits from being at the heart of the community. I have been made to feel so welcome since starting last September by everyone involved with the school. Many thanks for all the time and effort given to the school from staff, parents and Governors. A special thank you to Friends of School who have continued to endeavour to raise funds throughout the year, your help is much appreciated.

I am sure our Year 2's are looking forward to starting their new school. The staff would like to wish them lots of luck and success, we would love to hear how they get on, so please pop in and tell us all about it. The rest of our children are ready for the change of year group too. So we will enjoy seeing them grow and change over the coming years.

I wish you all a very happy and safe Summer

Best wishes

Jenny Griffiths

## CELEBRATING SUCCESS

Congratulations to all the children that received an award today.

## BIRTHDAY CELEBRATIONS

We would like to wish the children that will celebrate their birthday during the summer holiday a very happy birthday.

## CLASS 1

To finish off the term we have been learning about the 50th Anniversary of the Moon Landing. They have learned about it from the news and video clips.

The children did some pastel artwork of the Moon, Earth and Stars. They used stencils and different techniques to achieve some stunning effects. They were very proud of them.

The children have enjoyed spending time together and have been a lovely class to teach.

Hope you all have a lovely summer break.

## CLASS 2

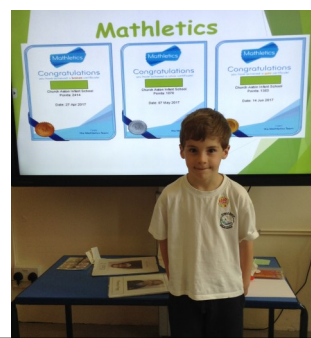

Class 2 it has been an exciting year with all kinds of fantastic writing and amazing mathematicians busy calculating everywhere! We are so very proud of all your hard work and even though we have reached the end of this school year, I know you will go on to make us very proud in the next part of your learning journey. Class 2 team would like to wish you all a safe and happy holiday and good luck for your new start in September.
