HEAD TEACHER'S HIGHLIGHTS

Dear parents

There has been lots going on this week at Church Aston. It was super to see our Year two children go off to visit Moorfield and meet their new Headteacher Mr Bussey and class teacher Miss Oliver. It was very exciting but also reassuring for them as they prepare for this change. Well done all.

Classes here have been set for September. If your child will be in Year 1 you should have received a letter today confirming which class your child will be in next year. We shall be giving your child chance to meet Mrs Powell and the rest of her class if they are moving up to C2 on Friday 9th July (in a covid secure way.)

We shall be holding a sports day for the children on Thursday 8th July. Unfortunately, with the current guidelines and with coronavirus cases rising we are going to restrict the occasion to just children. We feel at they will benefit from the experience of the races etc, and it should be a fun afternoon with them racing to earn team points for their colour team and to see which team is awarded the Sports Trophy. We will of course take lots of photos to capture the event. Look out on next week's newsletter for those.

The staff and children are continuing to work hard to make the most of every learning opportunity until the end of term. Please keep up with reading and Mathematics, it is this consistency that really helps deepen the children's learning.

Thank you to all those parents who have helped with our jigsaw project, it has really helped us organise them so that they can be used most effectively. We are still doing them, so if you would like to join in then please let me know.

The draw for the name of the bird will be this Saturday, I look forward to hearing what it ends up being.

Have a lovely weekend.

Jenny Griffiths

CLASS 1

Class 1 have been busy problem solving in their maths, with Reception making predictions and finding different ways of making ten. Year 1 have been continuing to count in tens forwards and backwards as well as working out amounts with money.

The children have been writing about jobs found in towns and cities and this has been related to a story called Tinyville. As well as continuing their topic on bridges with some creative artwork experimentation based on Monet's Water lily painting.

They have also been trying out their running and jumping skills in preparation for sports day.

Well done with the homework on bridges, the children were keen to share their photos and writing creating lots of discussion between them.

**Rewarded for her
enthusiasm and
creativity.**

STAR OF THE WEEK

CLASS 2

The children have had a very busy week in Class 2. We have had lots of construction going on, with tower building with our left or right hand, and building a bridge to support 8 cubes with only paper, scissors and supports in co-operative groups.

In science we have focused on animals diets and food chains. We have used the vocabulary, producer, consumer and predator to describe our food chains.

In Music we have been exploring beat and rhythm.

We have also been busy preparing for sports day on Thursday. I am looking forward to seeing everyone enjoying taking part in our races.

Year 1 children have continued to find out the value of different coins.

STAR OF THE WEEK

Rewarded for being an all round superstar.

IMPORTANT SCHOOL DATES

16th July—Raffle

16th July—Whole School Leaver's Party and Leaver's gifts.

8th July—Sports Day (Children only)

20th July—Leavers assembly
9.15am

July / August Gin Tasting Evening

Change of menu – 19th July

The menu on 19th July has changed. It will be Burgers or Chicken Nuggets followed by Ice Cream Parlour.

INVOICES FOR JULY

As we near the end of the Summer term we will be changing the way we ask you to pay for Breakfast and 4 O'clock clubs, this will only be for the last 7 school days of the term.

We will send you an invoice for sessions attended up to and including Friday 9th July on Monday 12th July. From Monday 12th July we will ask you to pay for each club attended on arrival at Breakfast Club, and on pick up at 4 O'clock club, charges are as follows:

Breakfast Club - £3.50 per session (£3 for a sibling)

4 O'clock Club - £4 per session

If you have any questions or concerns please let us know.

Please can we ask that all invoices, including any outstanding invoices, are paid by Tuesday 13th July so that we can complete the banking process before the end of term. Thank you.

Sports Day

Unfortunately we are unable to have parents in school for Sports Day. We will ensure the children have a great sporting event and we will add photo's, and possibly a password protected video, to our website or newsletter.

Maths boxes

If you've got one at home, please can we ask for all Maths Boxes to be **returned by Friday 9th July**. Thank you.

THIS WEEK THE WINNING TEAM IS **GREEN TEAM**

Well done to all the children that have earned a team token for their work this week.

Celebrating Success

REWARDS OF THE WEEK

Well done to all the children that received an award for Marvellous Mathematician, Wonderful writer, hand writer of the week, Reader of the week or Breakfast Club Superstar. Keep up the hard work.
