HEAD TEACHER'S HIGHLIGHTS

Dear parents,

A huge welcome back to you all. We have had a fantastic first week here at Church Aston. The children have settled into their classes happily. One of my favourite times of the week was when the staff were outside watching all the children from both classes playing together in the sunshine. It seems such a long time since we were able to do this. That building of co operation and friendship is such a special part of our school.

Our assembly today was very important as we welcomed our new Reception children into school. They were very proud receiving their certificates and book that they are bringing home to share with you. A big step on their learning journey.

We would also like to say welcome to Miss Richards who is our additional TA who will be with us in Class 1. She is already very much part of our team.

Friends of School will be having their first meeting next week please see date etc later in newsletter. They are a great group of parents who support the school in so many ways including organising events for the children and parents whilst raising money for the school which helps to add those little extras to your child's experience here. This is also a great way to meet people, they are a fun and friendly group and are always keen for new parents to join. If you can't make the meeting but would be interested in finding out more, just let me know and I can introduce you to one of the existing members.

I have been very pleased to see that some children have continued their reading through the holidays. Well done to those who have received a head teacher sticker for moving up a band already.

We look forward to a fun but hard-working term.

Enjoy your weekend

Best wishes

Jenny Griffiths

CLASS 1

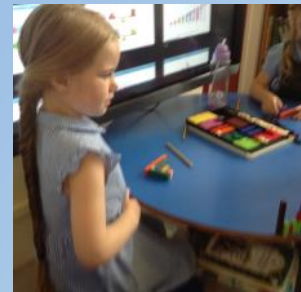

Wow! What a great start to the school year we have had!

We have loved welcoming our lovely new reception children into our Church Aston family. They have settled in so well and we can't wait to see them flourish over the next year in Class One!

A special thank you to our wonderful year ones who have done such a super job at welcoming the new children, making sure they know where everything is and being all round good role models. Well done!

The children have been busy drawing, telling us all about themselves and their families, painting self portraits as well as LOTS of playing outside in the sun. Year one children did some super writing all about their summer holidays, we have loved hearing about all the exciting things they've been up to! The reception children have also enjoyed staying and eating their school lunches with the rest of the class, fishy Friday was certainly a big hit!

Have a lovely, restful weekend and we'll see you back in school on Monday!

Rewarded for super work and being a great role model.

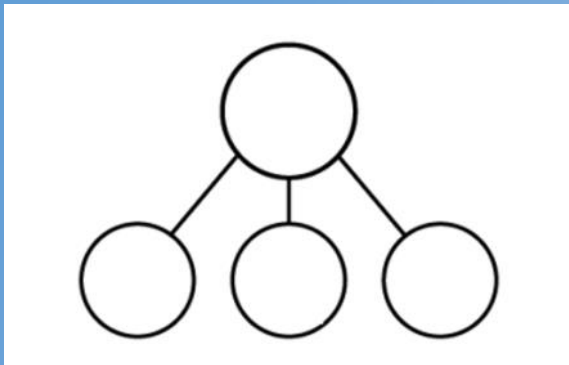

STAR OF THE WEEK

CLASS 2

Welcome back everyone!

We have had a wonderful week in Class 2. The children have been busy writing letters to apply for a class monitor job, they have retold the story of Mrs Pepperpot learns to swim and painted a picture a self portrait using watercolours.

The children have worked hard in their maths lessons too! Year 1 have been using language to compare the size and mass of objects and year 2 have started their addition work with adding three addends in a part, part, part whole model.

Part, part, part whole model

The playground has been a happy busy place this week, with everyone outside together. It has been fantastic to see so many of the older children being good role models on the playground and around school, helping our new Reception children settle in.

Next week we will have PE on Monday and Friday and the children will need to bring their PE kits in a bag and they will change in school on both days. Please remember to bring your reading book to school everyday and let us know if your child needs a new Reading Record.

Rewarded the working hard in all his lessons and striving to complete his tasks.

STAR OF THE WEEK

After School Clubs

Art Club

All our clubs are up and running, This week in Art Club children had a beach theme and made ice creams, buckets and spades and shell impressions into clay. They learned how to draw a sandcastle and enjoyed colouring in some seaside pictures. If you would like to book your child into a club an afterschool club the forms can be downloaded from our website or available from the school office.

We need all hands on deck!

**CHURCH YARD
WORK PARTY DAY!**

**BYO TOOLS!
REFRESHMENTS PROVIDED!**

**Sat 11th Sept.
10am-3pm**

Reception Welcome Assembly

During our outdoor whole school assembly we welcomed all our new reception children. They were all presented with a certificate and a story book for at home. We hope you enjoy sharing this with your child.

P.E Arrangements

PE will be every Monday and Friday in both classes.

Class 1—For this term can children arrive to school dressed in their PE Kits, they will not need a change of clothing. We will advise if this changes.

Class 2—Please bring your PE kits to school and get changed at school.
