HEAD TEACHER'S HIGHLIGHTS

Dear parents,

Well, it has been an interesting week! Thank you so much for all your support with testing last weekend. It helped me keep track of what was happening with the number of cases and how we could keep everyone safe. We work closely with Public Health and because of the high number of cases last week and an additional child at home ill now testing positive we would encourage you use to use this weekend as an opportunity for children across both classes to have another PCR test, staff will also be testing. This will enable us to pick up if there has been any transmission during the week and to be sure we have nothing lingering around. I am sorry to ask this of you again, but it is the only way of being sure. So please book a PCR test for your child and email me with the result. I will monitor the results during the weekend to see if there are any additional measures we need to put in place. Many thanks.

Some good news, our Ancient High House visit has been rebooked for January 5th, 2022, we shall keep our fingers crossed! Also, Friends of School held their meeting on Teams last night and were busy setting up some Christmas plans. As we have already put in place ways of keeping the two classes separate for these events, we are hoping these can still go ahead.

We have had some super responses to our Flipped learning, well done for all the work so far, keep it coming in we have had writing, models, and videos. Great to see everyone being so creative.

Well done as well to our children for their sporting achievements out of school.

Have a relaxing weekend

Best wishes

Jenny Griffiths

Welcome
A warm welcome to our new Year 1 child.

Celebrating out of school achievements
Congratulations on your sporting achievements

STARTING FROM WEEK 1

FLIPPED LEARNING

We have started to receive our flipped learning homework back into school this week. We were blown away by this magnificent Tudor house that was fully equipped with red lights and flames. We look forward to hearing all the interesting facts and seeing what you have been working on at home.

Christmas Cards We would like to offer children the opportunity to give and receive Christmas cards from friends if they would like to. We will have a red post box in school from next week so that the children can put their cards straight in to it. **All cards must be unsealed.**

The deadline for putting cards in the box will be **Monday 13th December**, we won't be able to take any cards after this date.

Ancient High House Trip

We have re-arranged the Ancient High House trip, it will now take place on **Wednesday 5th January.** All of the other details remain unchanged and we will keep your £5 contributions, consents and lunch orders to use for this new date. If you have any questions just let us know.

Friends of School

Calendars still available £6 for the first one and then £5 afterwards... they make great Christmas presents

3rd December uniform sale outside school at 3pm pick up. There will be an honesty box for donations. Also sweet cones will be sold for £1 each. Parents to bring money on pick up (rather than sending in with the children)

10th December 3-5pm Disco £5 More information and an invite to follow

IMPORTANT DATES FOR THE DIARY

3rd December - Friends of School Uniform Sale 2.45pm

3rd December—Friends of School sweet shop

10th December—Puppet Show

10th December—Christmas Party—3-5pm

Break up for Christmas—Friday 17th December and return to school

Tuesday 4th January 2022

5th January - Ancient House House—Whole School Visit

This Week's Winning Team is **RED TEAM**

Well done!

SCHOOL ADMISSIONS

The online admissions application process is now available at www.telford.gov.uk/admissions.

The following deadlines apply this year:

- Applying for Reception Year school places to start in September 2022 (starting school for the first time) - **closing date 15 January 2022**
- Applying for Infant to Junior school (Year 2 into Year 3) places to start in September 2022 (current Year 2 pupils) - **closing date 15 January 2022**
- If a child has an Education, Health & Care Plan the closing date is 31st October 2021 for all applications.

CLASS 1

Class 1 have been busy with their maths this week. In Year 1 the children have been investigating different ways of partitioning numbers 6 to 10 whilst in Reception the children have been looking at how they can make the numbers 3 and 4.

The children have really enjoyed making different types of furniture for the inside of a house, they had lots of fun using a range of materials to make all sorts of models including tables, chairs, and lamps.

Their RE session involved an interesting discussion looking at artifacts and photographs which encouraged them to talk about how different people celebrate.

During their writing session Year 1 children were very focused on their use of capital letters and full stops. Reception children are really getting to grips with listening to all the sounds in cvc words and then writing them.

Well done everyone for a great week of super learning.

Rewarded for being a fantastic friend and super role model.

STAR OF THE WEEK

In English we learned about play scripts. We looked at part of the script between Boxtor and Vlad in the Great Fire of London and worked in pairs to recreate our own script. We then used our scripts and performed these to the whole class.

In Maths all the children enjoyed creating a maths game of their own of which they were able to enjoy playing with their friends. Year 2's looked at multiplication in equal groups and matching pictures to descriptions.

There are ____ equal groups of eggs.

There are ____ in each group.

There are ____ groups of ____.

Year 1's looked at 1 more and 1 less and solving maths problems.

In Design and Technology children worked in pairs to build a house using cardboard boxes, certain design features were to be included and they worked well to put it all together.

In Music we learned the song London's Burning and sang in rounds playing musical instruments.

We miss everyone that is currently working at home and hope you are all okay and we are looking forward to seeing you soon.

STAR OF THE WEEK

Rewarded for working excellently and collaboratively .

Celebrating Success

REWARDS OF THE WEEK

Well done to all the children that received an award for Marvellous Mathematician, Wonderful writer, hand writer of the week, Reader of the week or Breakfast Club Superstar. Keep up the hard work.
