## HEAD TEACHER'S HIGHLIGHTS

Well done to everyone for a great term.

A big thank you to Friends of School for all their organisation at the Spring Fair. So lovely to see so many parents and family enjoying themselves in school.

Have a fabulous Easter break.

**Congratulations on your 100% attendance**

## Hats off to the winners

Thanks to our Chair of Governors Dr J. Bennett for judging the Spring Bonnet Competition

## Who is hiding under the hat?

queens.

## Ukrainian Community Hub

Reverend Zoe is looking for people to support her Ukrainian Community Hub, if you are interested in offering any ideas or help with this, please contact her on the church website or let me know and I will pass it on.

**IF YOU HAVEN'T ALREADY VOTED  
PLEASE**

**VOTE NOW**

**WE NEED YOUR VOTES**

<https://www.aandslandscape.co.uk/competition-page/>

We have entered a competition to win a starsail canopy from A & S Landscapes in Shrewsbury. Simply visit the link above, [enter your e-mail and select Church Aston Infant School from the drop down box.](#) Please share with family, friends and on local community social media groups. The winning school will be the one with the greatest amount of votes.

## New menu

The school dinners menu is changing so on our first day back after the Easter break on Tuesday 26<sup>th</sup> April, the dinner will be Big Breakfast.

# CLASS 1

And just like that we are at the end of the Spring term! Where has the time gone?! We have had such a lovely time learning all about castles this term, such a fun topic!

This week we have finished building our amazing castles for Dolly the dragon! She was so impressed with them all that she actually wants to alternate between them as she can't choose just one!

In History we learned how castles were attacked and defended. We also learned what a siege is! We have had an Easter themed week this week.

In English we read the book Brenda's Boring Egg and learned the important lesson 'never judge a book by its cover' (or never judge an egg by its shell in this case!) We talked and wrote about what makes us 'good eggs' so if your children declared you a good egg at any point this week that'll be why!

In reception maths the children have been seeing double! They have been doubling numbers up to 5.

The year 1 children have become masters of counting, adding and subtracting tens. We will continue to look at numbers 20-100 after the break.

To end the week and term we have had a fun Easter day! We have been baking, making Easter decorations and making Easter cards. The children are very excited to show you!

Have a lovely Easter and a nice relaxing two week break!

**STAR OF THE WEEK**

**Rewarded for her amazing attitude towards all her school work.**

# CLASS 2

Finally, we are at the end of the spring term and Miss Jones, and I are very proud of what all the children have achieved. They have worked so hard and learnt so much!

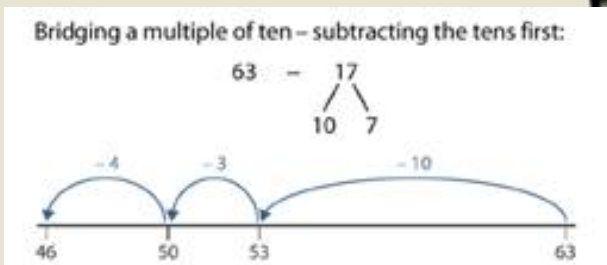

The classroom has been full of construction this week as the children have been busy making castes with one very important part, a working drawbridge! The children have created a pulley system to move the drawbridge up and down.

In year 2 maths during this week the children have been learning about subtracting. They have worked so hard. They have all used and understood the strategy of a number line and bar models. Everyone now understands the difference between tens and ones and how to show their workings in order to achieve the correct answer. Well done everyone for all your hard work this term, it has been a pleasure teaching you! Smelly stickers for everyone J

The year 1 children have become masters of counting, adding and subtracting tens. We will continue to look at numbers 20-100 after the break.

We hope everyone has a wonderful break, keep safe and we'll see you soon!

**Rewarded for being such a fantastic listener.**
