HEAD TEACHER'S HIGHLIGHTS

Dear Parents

We have had an exciting week with lots going on in school including some super reading. Well done to all those that have received Headteacher stickers for moving up a band. You should feel very proud of your achievement. Keep reading and remember...

The more that you read, the more things you will know.

The more that you learn, the more places you will go!

Dr Seuss.

Hope you enjoy sharing the Book about Queen Elizabeth and her Platinum Jubilee Celebration.

Forest school was delightful. Reception children so enjoyed making their crowns and they were so confident in identifying and naming the Oak and Beech leaves. Well done everyone.

Our Peruvian day was extra special with traditional stories being told and opportunity to try on outfits from Peru. The children had a great time learning Peruvian dances with Mrs Wellman and of course some Spanish as well. They have been finding out about Inti Raymi which is a festival of the sun that is celebrated in Peru on the 24th June each year. Mrs Wellman has lots very special memories of Peru that she is sharing with the children. They are also keen to share facts they have been finding out about in their homework. All making a very interesting topic for the children and staff to be involved in.

Have a lovely weekend.

Jenny Griffiths

DATES FOR THE DIARY

Friday 1st July - Mufti for a tombola prize no cash

Tuesday 5th July—Sports Day

Friday 15th July—Leaver's Party (whole school invited (3-5pm) Information to follow.

From now on Week 2 Tuesday will be Meatballs and Pasta instead of Chicken Pasta Bake.

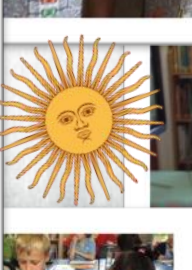

This Week's Winning Team is YELLOW TEAM

IMPORTANT NOTICE FOR YEAR 2 PARENTS

CAN ALL YEAR 2
PARENTS RETURN TO
SCHOOL THEIR MATHS
BOXES.

CLASS 1

It's the 24th June today so that means in Peru they are celebrating The Festival of the Sun which is known as Inti Raymi. So 'Feliz Inti Raymi' to you all!

The children enjoyed learning all about Inti Raymi after reading the Peruvian tale Up and Down the Andes. Both year one and reception children loved using their imaginations when writing sentences about what they would see, hear and smell at the Inti Raymi festival.

In maths, reception have been consolidating their learning about doubles. They are fantastic at finding doubles in even numbers and can also show doubles on their rekenreks.

Year one have been learning about statistics in maths. They have been finding out about Paddington Bear's adventures by completing tally charts and pictograms.

Reception had their last forest school session on Wednesday. It was beautiful in the sunshine! We went for a lovely walk and carefully cut some oak and beech tree leaves off which we used to make amazing leaf crowns! We will look forward to going back to forest school when the children are in year one!

Have a lovely weekend and we will see you next week!

STAR OF THE WEEK

Rewarded for being kind and caring behaviour towards other children at forest school

CLASS 2

It has been a wonderfully sunny week in Class 2!

In maths the year 2 children have explored mass, weighing in grams and kilograms, the children enthusiastically looked at how heavy items around the classroom are and they have looked at the scales used for measuring mass and capacity.

The year 1 children have had worked hard on reading and making tally charts. They have an excellent understanding of grouping and how we 'close the gate' at the fifth mark.

The children have really immersed themselves in their learning about Peru! Daniel told us all about the significance of the design of the Peru flag, Eliza discussed what she knew about the Rainbow Mountains and Jennifer found that at New Year the people of Peru give their each other yellow underwear for luck! We have finished reading *Princesca and the Pea* (our Peruvian version of princess and the Pea) and learned some Spanish words.

Today, the 24th June, is our celebration of The Festival of the Sun called Inti Raymi. The festival shows respect for the Sun God.

STAR OF THE WEEK

Rewarded for working hard in all his lessons and learning how to tally in maths.

FOREST SCHOOL

I enjoyed making our forest hats.

I loved everything.

It was great swinging on the ropes.

YEAR R HAD A GREAT TIME AT FOREST SCHOOL.

Celebrating Success

REWARDS OF THE WEEK

Well done to all the children that received an award for Marvellous Mathematician, Wonderful writer, hand writer of the week, Reader of the week or Breakfast Club Superstar. Keep up the hard work.
