## HEAD TEACHER'S HIGHLIGHTS

Dear parents

Well, we have had a wonderful week, that has been full of Christmas magic. Everyone enjoyed their Christmas lunch. Then amazingly we had a visit from Santa and his Chief Elf. Thank you to Friends of School for their help with this. The children's faces were a picture. They had chance to tell Santa that they had been good this year and of course we all agree, I hope you do too. I know they are all looking forward to their Christmas at home, a very special time for you all.

We also had an excellent dance session on Monday with the PE specialist teacher from Burton Borough, she brought some students with her, and they led the children in their dance activities. It gave our children chance to see how dance is performed close up and gave them opportunity to try out their dancing skills and learn new ones. Keep on dancing!

A huge thank you to all our staff this term. They are as always committed to providing our children with the best learning experience that they can offer and whichever role they are in they always give of their time and effort. I always feel we have such a super team of people involved in our children's development and that includes parents and Governors as well. So hopefully everyone will have a well-earned rest and a peaceful and happy Christmas.

Please can I also express our thanks on behalf of staff for all the lovely cards and gifts that have come into school this week for staff and children they are all much appreciated.

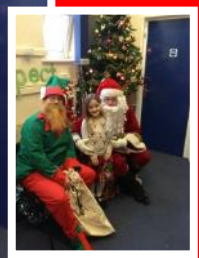

A special welcome to our new reception child who has joined our Church Aston family this week.

I look forward to seeing everyone back on January 8<sup>th</sup>, 2024.

Merry Christmas and best wishes

Jenny Griffiths
