Dear Parents and Carers

This week saw the end of our recycling project, with the children designing and making their own recycling bins. They were very interested to see recycling bins from different countries around the world (which are much more exciting than ours!) and used these as inspiration for creating child friendly bins. I understand that some children are making good use of them at home now for recycling.

Today we had a special visit from Mr Bayliss with his tractor. The children were very excited to see one up close-up. The visit fits nicely with our Science work on habitats and our Geography work about farms. They have been learning about different types of habitats for animals, plants and about arable and livestock elements. A huge thank you to Mr Bayliss for taking the time to show the children his tractor.

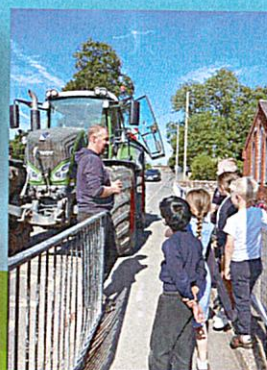

Please remember to check out the diary dates below as we have a non-uniform day, parent carnival workshop, transition sessions and sports day planned.

We have a lot of nearly new school uniform available. We will be displaying some of it at the front of school tonight. Please feel free to take anything you think could be useful, there is no charge.

Finally, I hope you have a lovely week with your children next week. School opens again on Tuesday 3rd June for our last half term of the academic year.

Mrs Sarah Pitt

CLASS 1

We have been making Recycling Bins in DT.

CLASS 2

This week the children thoroughly enjoyed their design and technology project. They were asked to design and make an appealing recycling bin for children aged 5-7.

The children discussed what their bin needed and worked hard to make a strong, colourful recycling bin and some used animal features to appeal to younger children.

IMPORTANT DATES

26th May to 30th May

Half Term

Monday 2nd June

PD Day, school closed.

Friday 6th June

Non-uniform day—Bring a tombola prize.

Friday 6th June
