HEAD TEACHER'S HIGHLIGHTS

Dear Parents and Carers

What a wonderful week we have had! Apart from the beautiful weather, we have had plenty going on in school.

Class 1 are now hosts to some frog spawn, which Mrs Judd has kindly brought in. As the week has gone on more and more tadpoles are hatching. The children are fascinated at how small they are and that they are eating the jelly. Mrs Judd has brought in some pondweed and food for them, so we are hoping to keep observing as they grow and change.

On Wednesday our Year 2s took part in the Burton Borough 'Big Sing' alongside five other primary schools. I was very proud of them - they looked so smart and sang beautifully. They were a real credit to our school. A big thank goes out to Mrs Powell who has worked hard to get the children ready for the performance with plenty of lyric learning and singing practice.

Following our work on the Great Fire of London, we were privileged to receive a visit from Lance Evans of Newport Fire Station. He talked to the children about the role of the fire service and brought along a support vehicle for the children to see. We experienced the full range of sirens, and the children got to sit in the vehicle. Thank you very much to Mrs Chebsey for organising the visit and to Lance for giving up his time to come along.

The Friends of School have done a wonderful job of organising Mother's Day gifts this year. We are really grateful to Coppice Plants, Broseley, who have a plant stall in Newport Indoor Market, for donating the flowers so that funds can be raised for school. The children have decorated the pots with bespoke covers, so please do donate as I'm sure the children will love to take theirs home for their Mums.

Finally, the Big Wheel and Walk continues next week! Mrs Reynolds has been collecting the data on how the children have travelled to school this week, so please keep it going for one more week. You have been doing a great job!

Have a super weekend and remember that the clocks go forwards on Saturday night!

Mrs Sarah Pitt

IMPORTANT DATES

24th March —4th April 2025

The Big Walk and Wheel Event

Friday 11th April

Easter Bonnet Parade—Parents can arrive at 2.30pm for the parade.

Monday 14th April—Friday 25th April
Easter School Holiday

Friends of School

THIS WEEK'S WINNING TEAM IS

RED TEAM

CLASS 1

Class 1 really enjoyed the visit from a local Fireman, they got to sit in his emergency fire vehicle and ask lots of questions about his job. They enjoyed finding out about the special clothing a firefighter has to wear and even got to try some on.

CLASS 2

Class 2 were very excited to observe how their seeds and bulbs have grown.

The children explained that seeds and bulbs need sunlight, soil and water to grow successfully, and we think the plants have also enjoyed our practise sessions for the Big Sing!

The children know what parts of plants we eat, and they understand the plant life cycle.

Celebrating Success

REWARDS OF THE WEEK

Well done to all the children that received an award this week.
